◆ [Home Essentials Kit](#) :

This is a great Sports Family Kit that allows you to take care of roughly 80% of your family's common health and wellness concerns naturally.

This kit contains full sized 15mL bottles of oil, so you get almost 3x the oil of the Healthy Start kit for less than twice the price.

◆ Healthy Start Kit : <http://staciemahoe.com/top10>

Includes the "Top 10" foundational oils in our smaller 5mL bottles. Approx 85 drops in each bottle. This kit contains oils for immune support, sleep, stress, pain, digestive upset, and various common ailments that families often deal with. Great option for families who want all the same tools as the Home Essential Kit, but at a more affordable price.
